

# DECORATIVE POLES & LIGHTS

**Ix-Max**  
ELECTRICALS

## ABOUT US:

We Lx-Max lighting Established in the Year 2021, offer a variety of lighting solutions for Residential, Commercial & Outdoor Lighting.

At Lx-Max quality, trust & reliability is our motto of working & hence our manufacturing is being looked after by qualified engineers & all the accessories used by us are confirming to IS standards.

By employing advance technology, these are engineered by our professionals in sync with the national norms. For meeting the diverse requirements of customers, we offer our product-line in multiple sizes, models and specifications. Our lights are best quality, energy efficient, bright in illumination, low in maintenance and durable, owing to which these are extensively demanded by the customers.

Lx-Max has developed an advanced infrastructure which is segregated into different units such as manufacturing, quality assurance, warehousing and R&D and has all the sophisticated and latest machinery that in turn helps us to deliver the best qualitative products to the customers. The entire range of equipment is manufactured under the strict vigilance of our expert professionals every stage using superior quality raw material and ensures reliability.

## PRODUCT RANGE:

- LED Lights
- Street LED Lights
- Flood Lights
- Light Poles
- Outdoor LED Lights
- Solar Lights
- Panel Lights
- Decorative Street Lights
